Remarks

Southridge Stunning community set in the rolling hills of Kennett Township Houses are clustered in groups, leaving large areas of open space. Contemporary cape style. #47 is a stylish home with many updates. (See list) The living room/dining room has cathedral ceilings and a skylight. There are hardwood floors and a stone fireplace(wood burning). Walls of sliding glass doors open to a deck and also to a screened porch. Both are perfect for enjoying the lovely open views over woodland and meadows. There is a study/den adjacent to the living room. It has a skylight. A half bath is adjacent to the den. A staircase in this room leads to another private work area, activity center, multi-use space - even a possible bedroom. There is storage in the eaves accessed from this room . An efficient kitchen is bright and cheery with two windows. Six-burner gas cooktop stove is a cook's delight. Attractive granite countertops add style, and are complemented by tiled backsplash. The laundry area is adjacent to the kitchen. A pantry provides good storage. The primary bedroom is on the main level.
